

Kiehl-Parketto-clean Concentrate

Cleaner for wooden floors and laminate

Features

Soap-free and wax-free parquet and laminate floor cleaner with high cleaning power and anti-redepositing power. Preserves the material, is slightly fragranced and not subject to ADR. Thanks to the eco-friendly formulation, Kiehl-Parketto-clean Concentrate has received the European Union and the Austrian Ecolabel.

Ingredients (according to 648/2004/EC)

Nonionic surfactants 5-15 %, water-soluble solvents, dyes, fragrances.
pH value (concentrate): approx. 9.0 pH value (ready-to-use solution): approx. 8.5

Application

Suitable for cleaning of all wooden surfaces, such as sealed, coated, impregnated, oiled, waxed or untreated wooden floors as well as for engineered parquet and laminate floors. Also suitable for use on all water-resistant surfaces, objects and floorings as well as on coated floors.

Directions

Please try out in a small inconspicuous spot to check for material compatibility before first application. Excessively wet wiping and standing water can damage the wood surface.

1 dosing unit (dosing cap) = 25 ml

Routine cleaning (wiping):

Normal soiling: 1 dosing unit in 8 L of cold water.

Dip the mop into the cleaning solution, press out thoroughly and wipe the surface.

For light soiling a half dose is sufficient.

Maintenance and cleaning of wood / parquet

Note

Keep away from children! Proper dosage saves costs and minimises environmental impacts. The product is highly concentrated and therefore only a small quantity is required compared to standard (non-concentrated) products. Surfactants based on vegetable raw materials. Packaging material is recyclable.

Consumption per square metre

Wiping: 0.1 - 0.2 ml

Packaging

Carton of 6 x 1 L dosing bottles

Art. No. j 22 18 02
